Urgent attention of residents and friends of East Sydney Gaol.

**St Vincent's proposal to
redevelop the Caritas Site
(Forbes, Burton and Bourke Streets)
includes a
12 storey high rise building
and 131 apartments.**

Residents believe that:

- There should be NO SALE of Public Land.
- This is a gross overdevelopment of the site.
- It will destroy the heritage value of East Sydney Gaol.
- It is not in character with the neighbouring one and two storey terrace heritage buildings.
 - No towers should be allowed.
- A maximum height of no more than four storeys.
